Blanket Flower - 'Sundance Bicolor'  
*Gaillardia pulchella*

carefully hand-picked by Dave's Garden User:

Sundance Bicolor has frilly, petal-packed pompons that look like flickering flames of deep red and every tone of yellow and gold! It's a 2003 All-America Selection winner! Frilly 2-inch blooms popping up all over compact plants just 10 to 12 inches tall and 14 to 16 inches wide. Read more here:
